FORT

RODBOROUGH FORT was sold on Wednesday for £3,500. This was at an auction sale at the Church Institute, Stroud, conducted by Mr. E. J. Rowell. His first bid was £1,000.

The new owner is Mr. G. J. Pitcher, of Beaconsfield, Bucks., who told our representative that he is undecided what he intends to do with the property. More than likely, he said, it will remain a private residence.

The Lordship "or reputed Lordship" of the Manor of Rodborough was included in the sale.
