Dear Sirs,

With reference to your enquiry with regard to Lady Marling, you may like to put in your Thursday's issue a paragraph to the following effect :-

Lady Marling had not been feeling well for two or three days, and on Saturday it was found necessary that she should go to a private ward in the Stroud Hospital for an immediate operation, which was performed by Mr. Rendell Short of Bristol. Lady Marling is going on as well as can be expected, but it is anticipated that she will have to remain in Hospital for about three weeks, and she has been obliged to cancel all her engagements for the present.

Yours faithfully,

Stanley Marling

London Road, Stroud.
