Dear Sir,

I am enclosing a Bank Draft for the sum of £47-18-3. being total donations received towards the Appeal for your Village.

The result of the Appeal was much below expectations, and this was due to the extensive Campaigns which were being conducted during the same period for the Food for Britain Appeal and the British Flood Relief Fund. Very substantial support was given to the Appeals by the citizens of Randwick, and of course this resulted in our local Appeal being overlooked.

Please accept my personal regrets for the smallness of the amount.

Yours sincerely,

John Hefferman,

MAYOR.
